

I Have Been Blessed (Ruth 2:17-20)

Proposition: Every Christian can see the proper place of God's blessings in their life by tracing the blessings revealed to Ruth and Naomi in our text.

I have Been Blessed! (Ruth 2:17-20)

We were at camp meeting in Augusta last year when we heard the song "I have been blessed". The song speaks of the blessings of the beauty of nature, blessings of physical abilities, blessings of freedom, the blessings of family and the blessings of a personal relationship with the Lord Jesus. It reminds me of other songs.

Thank you Lord for your blessings on me. I've got a roof up above me and a good place to sleep. There's food on my table and shoes on my feet. You gave me your love Lord and a fine family.

Thank you Lord for your blessings on me. What about count your blessings name them one by one. I'm sure that if the scribe had been written in Ruth's day she would have been humoring them all the way home.

Ruth had been abundantly blessed of God. It's been said by others, "All I want is the crumbs from the master's table." Bro Ken used to say that's why we have so many creamy christians. God is not a Brylcreem God (a little dad will do).

Psalmist said in Ps 68:19 "Blessed be the Lord who increase that God's Blessings

I. The increase that God's Blessings Render. Have you ever had one of those days that you will never forget? This must have been a red letter day for Ruth. God

... increased her ... a hundred times

Beyond all her expectation. Notice there was

A. Providential increase - (5:3) Her "has" was no accident but divine providence. The blessings that she gathered in the field was the result of God's providential hand. God's purposes and plans are worked out by his ordering and over ruling in life. Often our blessings teach us ^{on behalf} that God is in control. That he is providentially working.

B. Provisional increase - (5:14; 17) Now remember, this was a girl that started out the day not knowing where her next meal would come from and now she has a full belly and and an ephah (8 gallons) of grain to spare. P₅₃ v₁₅ He is a God that is able to provide for our needs. I remember going down to preach at the Garden city mission in Augusta. Didn't realign the money.

C. Praiseworthy increase - (5:10) These blessings would Ruth (as it should any child of God) to be overwhelmed with thanks giving and praise to God! When we take into account all that God has blessed us with we should have no problem praising and worshipping God. A little girl who's father was a dice Jockey ^{had} moved to a friend.

II. The undesirability that God's Blessings Require. Now picture the scene. Ruth has all this barley. More than she can eat herself. There is a sense that these blessings have scene requirements.

- 1) Psalms 68:19 "Blessed be the Lord, who daily loadeth us with benefits..." We are a blessed people. But every blessing has a purpose, a reason and I believe that we can see the proper role of blessings in our life in this passage of scripture. Every Christian can see the proper place of God's blessings in their life by tracing the blessings revealed to Ruth and Naomi in our text.

Having been an orphaned widow, Naomi had to leave her home country and move to Moab to live with her daughter-in-law Ruth. She had given up all the comforts of home to live with her daughter-in-law Ruth in Moab.

- 2) Psalms 37:25 I have been young, and now am old; yet have I not seen the righteous forsaken, nor his seed begging bread.

After the death of her husband, Naomi had to leave her home country and move to Moab to live with her daughter-in-law Ruth. She had given up all the comforts of home to live with her daughter-in-law Ruth in Moab.

- 3) ...a friend's house for dinner. She was asked to say the blessing. The little girl cleared her throat, looked at her wristwatch and said, "This food, friends, is coming to you through the courtesy of Almighty God." That is exactly right and he deserves our praise for it!

God is the author of all good things.

1) ...to God on behalf of the rich blessings he has provided.

...to God on behalf of the rich blessings he has provided. We are to be a bill board for Jesus. We are to be an advertisement of Who He is and what He can do. Ruth was such a bill-board! Also Naomi asked "Where" but Ruth told her "Who." When the world asks us how (how do we have such peace, joy, contentment, love) we tell them not how, we tell them who!

2) 1 Peter 2:9 But ye are a chosen generation, a royal priesthood, an holy nation, a peculiar people; that ye should shew forth the praises of him who hath called you out of darkness into his marvellous light: The words "shew forth" describe an advertisement. We are to be a bill board for Jesus. We are to be an advertisement of Who He is and what He can do. Ruth was such a bill-board! Also Naomi asked "Where" but Ruth told her "Who." When the world asks us how (how do we have such peace, joy, contentment, love) we tell them not how, we tell them who!

3) ..."Our blessings are a loan from God to be shared with others.
All the barley we have reaped is not to be stored in barns but
shared with others."

attached to them. On inedelness to God on ①
A. A Requirement to Share (18-19) ^{Vs 18}
I can see Ruth kick the door with her foot
"Naomi, open the door I got my hands
full." Naomi opens the door and her eyes
get about as big as silver dollars.
Vs 19. in other words "girl where in the
world did you get all that food?" It did
not take a detective to find out how God had
blessed Ruth. It was evident. How did Ruth
answer Naomi? "I'm a shrewd business woman,
I was just following my intuition" Na Boaz gave
it to me. 1 Peter 2:9 "But ye are a chosen generation
B. A Requirement to Share - Vs (18e)

This blessing that Ruth had gained from
God thru Boaz, was not placed in her
personal account. I had a roommate for
a lot of years: "My food, your food." No she
shared it. She took the blessings of God
and shared it with others. (Sniff Sniff)
Do you smell that? That's preaching on
giving. I just want to remind you that every
bit of it is His and he demand a % of it back and
then an offering. Ruth gleamed when she gave. She
experienced blessing then extended blessings. Our ③
**III. The instructions that God's Blessings
Relate.** The blessings of God are
teaching tools to others. I've heard
a lot of people say "I want God to use me."
or "I want God to bless me."
or "I want God to use others."

people is by what God had already done for us.

A. They distract others to God's Ability

Isa 40:29 Remember how Naomi was in the beginning? Don't go with me. Call me Ruth. God brought me home empty. Now in Isa 40
My translation: Ain't God good! She saw God's ability to provide when Ruth's blessings were seen. You see Ruth had a need. God met her need. Naomi had a need. God took that which met Ruth's need and met Naomi's need.

That's God's ability working through us.

1 Cor 1:3-3 Whether you have lost a husband or wife, have a wayward child, physical pains, God

B. They distract others to God's Adoration

(20b) When the others around us see the ability of God manifest as blessings in our life, then they will give praise to God. It teaches others to worship

C. Matt 5:16. "Glorify God."

Naomi starts praising. We haven't heard her say one word of praise to God the whole book. Then all of a sudden, when God brushes past some one she knows and realizes that God is working in her life. She bursts open w/ praise! God blessing

IV. Close - Have you been blessed by

God? These blessings are to teach us personally (Providence, Provision, Praise), they require us to show + share, they are used to instruct in God's Ability + God's adoration.

1) 2 Corinthians 1:3-6 Blessed be God, even the Father of our Lord

Jesus Christ, the Father of mercies, and the God of all comfort;

Who comforteth us in all our tribulation, that we may be able to

comfort them which are in any trouble, by the comfort

wherewith we ourselves are comforted of God. For as the

sufferings of Christ abound in us, so our consolation also

aboundeth by Christ. And whether we be afflicted, it is for your

consolation and salvation, which is effectual in the enduring of

the same sufferings which we also suffer: or whether we be

comforted, it is for your consolation and salvation.

2) God can use you in the lives of others to instruct them on God's

ability.

3) Matthew 5:16 Let your light so shine before men, that they may

see your good works, and glorify your Father which is in heaven.

4) ...God blessing and working in your life may be just what will

cause a heart that has been barren and lifeless to turn to God

and give Him the praise that He deserves.
